

# DANEEL BALLARAM

Autodesk Inventor, Autodesk Fusion 360, AutoCAD, AutoCAD Electrical, AutoCAD Mechanical, Autodesk Show Case, Autodesk 360,

Daneel is an accomplished speaker, professional trainer, Autodesk Certified Professional, with over 7 years experience in the Autodesk industry. His field of expertise is Mechanical Engineering and has provided training and implementations of Autodesk® Solutions to a variety of leading manufacturing companies nationwide.

#### Highest Qualification:

N5 MDDOP, S3 Mech Eng

#### Why does he love this industry?

Daneel finds that the thrill of different challenges and different outcomes each day makes this a very exciting industry to work in.

**Daneel describes Autodesk software in 1 word as being "superior"**

# IMRAAN LAMBAT

AutoCAD, AutoCAD Mech, AutoCAD Electrical, AutoCAD P&ID, AutoCAD Plant 3D, Inventor Pro, Navisworks, Showcase, Nastran In-CAD, Simulation CFD

As the Baker Baynes Technical Director Imraan is a valued speaker, trainer and Autodesk "Guru". He is possibly the most highly trained Autodesk specialist in South Africa – holding Autodesk Manufacturing, Process Power & Plant, Data Management & Advanced Simulation Certifications.

#### Highest Qualification:

National Diploma in Mech. Engineering & Multi Discipline Drawing Office diploma

#### Why does he love this industry?

Imraan loves interacting with design professionals in the industry and being a part of something that matters. He loves being able to provide solutions to customer challenges.

**Imraan describes Autodesk software in 1 word as being "extraordinary"**

# SHUAIB YUNOS

AutoCAD, Civil 3D, Civil Site Design, Map 3D, Infraworks, Revit Structure, Structural Bridge Design, Robot Structural Analysis, Vehicle Tracking

With a love for design, infrastructure, and technology, when Shuaib isn't head first in design with fellow engineers and designers, he is either exploring the world around him, meeting new people, catching up on sport or riding a wave in the ocean.

#### Highest Qualification:

NDip Civil Eng, BTech Civil: Urban

#### Why does he love this industry?

Shuaib is a designer at heart and the fact that he is able to equip fellow professionals achieve their design ambitions makes him very proud of what he does. He finds joy in enabling others to design a better world for today, tomorrow and beyond.

**Shuaib describes Autodesk software in 1 word as being "dynamic"**

# THABELO NETSHIVHUNGLULULU

Revit Architecture, Revit Structure, Revit MEP, AutoCAD, Navisworks, BIM 360, Lumion

When Thabelo is not implementing BIM or creating courses to help architects & engineers design better, you can find him running circles around his opponents on the soccer field or answering the question "why" a million times a day.

#### Highest Qualification:

Diploma in Architectural Technology

#### Why does he love this industry?

Thabelo loves to help professionals design and execute on their vision, which often has a huge impact on the lives of people around us.

**Thabelo describes Autodesk software in 1 word as being "unsurpassed"**
